EERST LEZEN VOOR MONTAGE. LIRE AVANT L'ASSEMBLAGE. VOR DEM EINBAU LESEN. READ BEFORE ASSEMBLY.

14+

NL - Veiligheidsvoorschriften

Volg nauwkeurig het bouwplan. Hou deze modelbouwkit weg bij kinderen jonger dan 14 jaar wegens het gevaar van kleine onderdelen. Het gebruik van oogbescherming en mondkapje is aangeraden wegens het mogelijk vrijkomen van stofdeeltjes. Let op met scherpe snijvoorwerpen. Volg deze veiligheidsinstructies in hou deze altijd bij voor toekomstig gebruik.

BG - Правила за безопасност

Следвайте внимателно строителният план. Пластетози комплект е моделиран и не е подходящ за деца под 14 години поради опасността от малки частици. Препоръчват се използването на предпазни инструкции за очи и маска при работа със заточени инструменти. Внимавайте при рязането на материали да използвате резачки със заточени инструменти. Следвайте инструкциите за безопасност и съхранете ги за бъдеща употреба.

CZ - Bezpečnostní předpisy

Počivé dodržujte stavební plán. Tuto stavebnici uchovávejte mimo dosah dětí mladších 14 let kvůli nebezpečí malých částí. Vzhledem k možnému uvoľňovaniu prachových častic se doporučuje používať ochranu očí a masku na ústa. Dávajte pozor na ostré řezné predmety. Dodržujte tyto bezpečnostní pokyny a vždy si je uschovejte pro další použití.

DK - Sikkerhedsforskrifter

Følg omhyggeligt byggeplanen. Opbevar dette modelleringssett utroligeligt for børn under 14 år på grund af faren for små dele. Det anbefales at bruge øjenvar og mundbind på grund af den mulige frigivelse af støverpartikler. Vær forsigtig med skarpe skærende genstande. Følg disse sikkerhedsinstruktioner, og gem dem altid til senere brug.

EE - Ohutusnõuded

Järgige hoolikalt chitusplani. Hoidke seda modelleerimiskomplekti alla 14-aastastest lastest eemal, sest väikesed osad on ohutlikud. Kasutatav on kasutada silmakaitsa ja suunamisi võimalikult tolmuosakeste eraldumise tõttu. Olge ettevaatlik teravate löikevahenditega. Järgige neid ohutusjuhi jaid, et säilitage need alati esipäiseks kasutamiseks.

ES - Normas de seguridad

Siga cuidadosamente el plan de construcción. Mantenga este kit de modelismo fuera del alcance de los niños menores de 14 años debido al peligro de las piezas pequeñas. Se recomienda el uso de protección ocular y mascarilla bucal debido al posible desprendimiento de partículas de polvo. Tenga cuidado con los objetos cortantes afilados. Siga estas instrucciones de seguridad y consérvelas siempre para su uso futuro.

FR - Règles de sécurité

Suivez attentivement le plan de construction. Tenir ce kit de modélisation hors de portée des enfants de moins de 14 ans en raison du danger que représentent les petites pièces. L'utilisation d'une protection oculaire et d'un masque buccal est recommandée en raison du dégagement possible de particules de poussière. Faites attention aux objets coupants. Respectez ces consignes de sécurité et conservez-les pour une utilisation ultérieure.

FI - Turvalisusmäärittelyst

Noudata huolellisesti rakennussuunnitelmaa. Pidä tämä mallinrakennusjaossa alle 14-vuotiaiden lasten ulottuvuutta pienten osien aiheuttaman vaaran vuoksi. Silmiensuojaointa ja suunsiirtoja käytössä suostellaan polyyilkukkasten mahdollisen vapautumisen vuoksi. Ole varovainen teräviin leikkauksiin esineiden kanssa. Noudata näitä turvalisusohjeita ja säilytä ne aina myöhempää käytöötä varten.

GR - Κανονισμοί ασφαλείας

Akolouhouthete prospexikata στο σχέδιο κατασκευής. Κρατήστε αυτό το σετ μεταλλουργίας μακριά από παιδιά κάτω των 14 ετών λόγου του κυνόθυρων των μικρών μερών. Συντοπάται η χρήση προστατευτικών ματων και μάσκας στόματος λόγω της πιθανής απελεύθερωσης απωτάσιδων σκόνης. Απορρίψτε την εποπτεία με τα απηρτά αντικείμενα κοπής. Ακολουθήστε αυτές τις οδηγίες ασφαλείας και φυλάξτε τις πάντα για μελλοντική χρήση.

IT - Sigurnosne mjeru

Paživjte slijediti plan izgradnje. Držite ovaj komplet za izradu modela podalje od djece mlađe od 14 godina zbog opasnosti od sitnih dijelova. Preporuča se koristeći zaštitne zaćeće za oči i masku za lice zbog mogućeg oslobođanja čestica prasine. Budite oprezni s oštrom predmetima za rezanje. Slijedite ove sigurnosne upute i uvijek ih cuvajte za buduću upotrebu.

HU - Biztonsági előírások

Gondosan kövessé a építési tervet. Tartsa ezt a modellező készletet az évnél fiatalabb gyermeketől távol az apró alkotrések veszélye miatt. A porszemcsék esetleges felszabadulása miatt szeménő és szájsímszék használata ajánlott. Övátosan járjon az éles vágószökökkel. Kövessé ezt a biztonsági utasításokat, és minden örizze meg a későbbi használatra.

IT - Norme di sicurezza

Seguire attentamente il piano di costruzione. Tenere questo kit di modellazione lontano dai bambini di età inferiore ai 14 anni a causa del pericolo delle piccole parti. Si raccomanda l'uso di una protezione per gli occhi e di una maschera per la bocca a causa del possibile rilascio di particelle di polvere. Fare attenzione agli oggetti da taglio affilati. Seguire queste istruzioni di sicurezza e conservarle sempre per un uso futuro.

PL - Przepisy bezpieczeństwa

Należy dokładnie przestrzegać planu budowy. Zestaw do modelowania należy przechowywać z dala od dzieci poniżej 14 roku życia ze względu na niebezpieczeństwo związane z małymi częścią. Zeleca się stosowanie ochrony oczu i maski na usta ze względu na możliwe uwalnianie cząstek pyłu. Należy uważać na ostre przedmioty tnące. Należy przestrzegać instrukcji bezpieczeństwa i zachować je do wykorzystania w przyszłości.

PO - Przepisy bezpieczeństwa

PT - Regolamenti das-sigurá

Segui l-pjan ta 'kostruzzjoni bir-reqqa. Zomm dan il-kit tal-bini mal-modell 'il bogħod mit-tfal taħbi l-ta' 14-il sena minnhabba iperiki ta' partijet żagh. L-użu ta' 'protezzjoni tal-ghajnejn u maskra tal-wieċċa huwa rakkmand minnhabba r-riaxx possibbli ta' partiċelli tat-trab. Oggħod attent bogġetti li jaqtgħu li jaqtgħu. Segwi dawn l-istruzzjoni tas-sigurá u dejjh żommhom għal referenza futura.

SV - Säkerhetsföreskrifter

SK - Bezpečnostné predpisy

Dôsledne dodržiavajte stavebný plán. Túto stavebnicu uchovávajte mimo dosah detí mladších ako 14 rokov kvôli nebezpečenstvu malých častí. Kvôli možnému uvoľňovaniu prachových častic sa odporúča používať ochranu očí a masku na ústa. Dávajte pozor na ostré rezné predmety. Dodržiavajte tieto bezpečnostné pokyny a vždy si ich uschovajte priamo.

SE - Säkerhetsföreskrifter

DE - Sicherheitsvorschriften

Befolgen Sie sorgfältig den Bauplan. Halten Sie diesen Modellbausatz wegen der Gefahr von Kleinteilen von Kindern unter 14 Jahren fern. Wegen der möglichen Freisetzung von Staubpartikeln wird die Verwendung von Augenschutz und Mundschutz empfohlen. Seien Sie vorsichtig im Umgang mit scharfen Schneidewerkzeugen. Befolgen Sie diese Sicherheitshinweise und bewahren Sie sie für den späteren Gebrauch auf.

LV - Drošības noteikumi

GB - Safety regulations

Carefully follow the construction plan. Keep this modelling kit away from children younger than 14 years due to the danger of small parts. The use of eye protection and mouth mask is recommended due to the possible release of dust particles. Take care with sharp cutting objects. Follow these safety instructions and always keep them for future use.

PT - Normas de segurança

RO - Reglementări de siguranță

Urmați cu atenție planul de construcție. Menține acest kit de modelare departe de copii mai mici de 14 ani din cauza pericolului reprezentat de piesele mici. Se recomandă utilizarea protecției pentru ochi și a măștii de gură deoarece este posibilă eliberarea de particule de praf. Aveți grijă cu obiectele tăietoare ascuite. Respectați aceste instrucțiuni de siguranță și păstrați-le înaintea de utilizare ulterioară.
