Masks' instructions

Car body: green
(Zero Paints ZP-1464)

- Step 1: Fit the mask to these points
- Step 2: Fold down the mask

Adjust the mask on the original antenna spot on the body of the model. Note that you must remove the antenna from the body, because in this decoration the antenna is located further back

Spots: white
(Tamiya TS-26,
Zero Paints ZP-1026)
