MARKING

## Ford Fiesta WRC M-Sport World Rally Team

36 Adac Rallye Deutschland 2018  
#21 - JOURDAN SERDERIDIS + FRÉDÉRIC MICLOTTE

## PAINTING

- White ZP-1026
- Riviera blue ZP-1031-39E
- Yellow Pantone 137 C / RAL 1003 / Oracal "Golden yellow"

## ⚠ IMPORTANT:

Place all decals except numbers 35 and 36 after painting and before placing the photo-etched parts. Then, apply varnish (if you usually do), and place roof decals (35 and 36) after the varnish dry: the finish on these two roof decals features both glossy and matt areas, and that effect will be lost if you apply varnish on top of them.

Place part F24 of the scale model on the unvarnished roof.
