Kenworth Dump Truck

Ob Straßen, Kanäle, Häuser oder Brücken, überall dort, wo gebaut wird, werden oft riesige Mengen von Sand, Kies, Schotter oder Asphalt benötigt. Diese sogenannten Schuttgüter werden dann von Lastwagen mit speziellen Aufbauten transportiert. Bezeichnungen wie Dreiseitenkipper, Hinter- oder auch Muldenkipper gehören hierzu-lande zu den bekanntesten. In den USA ist ein Dump Truck oder Dumper ebenfalls ein Kipper, der aber ausschließlich das transportierte Material nach hinten abkippt oder entleert. Viele verschiedene Aufbautenhersteller liefern ihre Kippmulden für mehrachsige LKW-Fahrgestelle der Firmen Peterbilt, Mack, Freightliner oder auch Kenworth. Meistens werden die Kipper aus Aluminium gefertigt, und wie sollte es im Lande der unbegrenzten Möglichkeiten auch anders sein, natürlich in auffälligen Lackierungen oder ganz in Chrom. Sozusagen im „feinsten Sonntagsanzug“ präsentiert sich der Kenworth W900 mit verchromtem Kipperaufbau, hergestellt von der Firma Truckweld in Oregon, USA. Was diese Art von Baufahrzeuge oder auch Construction Trucks genannt angeht, so findet man in den Vereinigten Staaten unzählige Gestaltungs- und Konstruktionsarten.

Kenworth Dump Truck

For streets, canals, houses or bridges, everywhere that is built up, great piles of sand, gravel, stone or asphalt will often be needed. These so-called bulk goods will be transported by lorries with special bodies. Names such as three-way tipper, rear tipper or dump truck are the best known in these parts. In the USA a dump truck or dumper is also a tipper, but which only tips out or empties the transported materials at the back. Many different manufacturers of body superstructures supply dumper bodies for multiple-axle lorry chassis made by the firms Peterbilt, Mack, Freightliner or Kenworth. Most of the dumpers are made of aluminium and, how could it be otherwise in the land of unlimited possibilities, naturally they are attractively painted or all in chrome. The Kenworth W900 with chrome superstructure presents itself in its "finest Sunday suit", made by Truckweld of Oregon, USA. As far construction vehicles of this kind are concerned in the USA one finds innumerable types of design and construction.
