Richard Petty nicknamed **The King**, raced from 1958 to 1992. He was the first driver to win the Championship seven times and holds the record 200 race wins during his career, winning Daytona a record seven times, and winning a record 27 races (10 of them consecutively) in the 1967 season alone. Statistically, he is the most accomplished driver in the history of the sport and is one of the most respected figures in motorsports as a whole. He also collected a record number of poles (127) and over 700 Top 10 finishes in his record 1,184 starts, including 513 consecutive starts from 1971-1989. Petty was the first of two drivers to ever win in his 500th race start. He was inducted into the inaugural class of the Hall of Fame in 2010. Petty remains very active, as both a team owner of Richard Petty Motorsports in the Cup Series and owner of Petty's Garage (car restoration and modification shop) in Level Cross, North Carolina.
